What we have heard

SA Constraints Measures project

Bruno Bay project consultation

11 November 2024 - 1 December 2024

19 Surveys were completed.

77 Community members were engaged during the consultation, including:

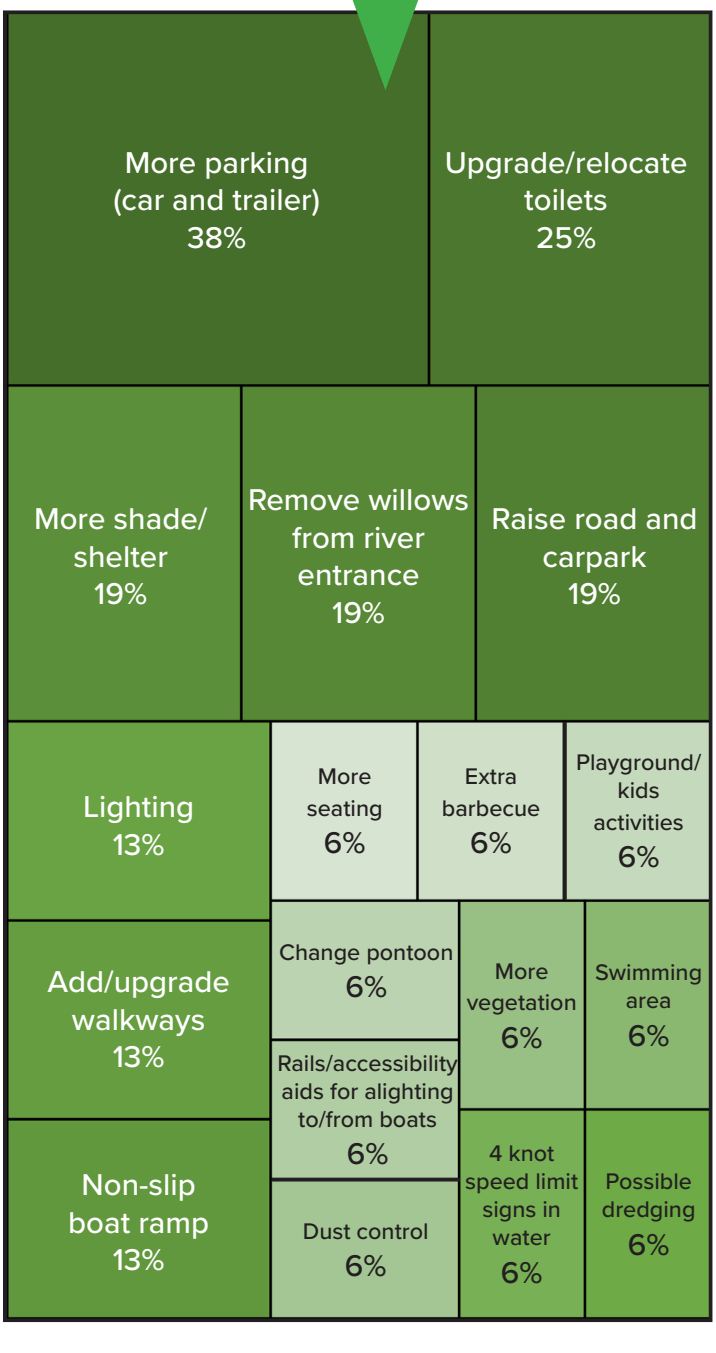

- **37** Local Cobdogla residents
- **40** Cobdogla Primary School students (years 4 to 6).

95% of feedback received supported the Bruno Bay project.

28 unique, location-based suggestions were made by community members as part of the mapping exercise.

When the 19 survey participants were asked 'What do you think could be improved at the Bruno Bay site?', they responded with...

Key feedback themes

Most requested improvements across both stakeholder groups
